Are you tired of looking at rugs that are dirty or stained? If so, now is the time for you to call Elite Rug Cleaning. We are the leading provider of rug cleaning services in the Williamsburg area and we will leave your rugs both spotless and odorless. Our team of experts treat you just like family and we provide no-nonsense quotes!

While your rug may look halfway clean, you may be surprised to know that it is quite dirty. In fact, there are many different bacteria, dust, and dirt trapped inside of the fibers and they can make you sick. Common causes of allergy flareups inside the home are because of contaminants in the rugs and carpets.

Our team is trained to handle your rug with care and properly clean it so that you can enjoy an odorless and spotless rug in your home. One of the things that sets us apart from others is that we do not just mask the stains and odors either – we eliminate them from your rugs and we have a satisfaction guarantee to back that up too.
